

# PRODUCTION MANAGER GB

( M / F )

WWW.CLIPMYHORSE.TV

## Our Profile

*ClipMyHorse.TV is the leading WebTV-provider for horse sport and breeding events in Europe!*

- We're on a worldwide expansion course.
- We're young, courageous and take intentional risks.
- We love data.
- We believe in individual responsibility, not control.
- We're hungry for success - we don't want to settle for second best.

## This is what you'll be doing

- We're looking for additional support for our productions in the UK.
- As a Production Manager at ClipMyHorse.TV you will have a wide variety of responsibilities.
- As part of a team, you will organise live streams for events in the UK.
- Alongside preparations, liaising with the show organiser and the camera crew, you will also be responsible for contract negotiations.
- Quality control and good relationships with on-site partners are very important to us.

## Your Profile

- You speak fluent English and ideally German too.
- You know your way around the Equestrian World and are up-to-date on current news.
- You've got experience in event planning.
- You feel comfortable working with Facebook, Instagram, Youtube etc.
- You love working independently and have great communication skills.
- Travelling is not a problem for you, and you are committed to achieving individual and team objectives and targets.

## Key Data

**When could you start:** As soon as possible

**Place of action:** Horse shows in the UK and our head office in Wiesbaden, Germany

**Deadline for applications:** 15.12.2019
