Job title:	New Business Sales Manager - Europe
Job type:	Permanent/Full time
Remuneration:	€70K Salary + €30K Bonus Opportunity
Benefits:	Company car, pension
Location:	Home based with significant level of travel

A terrific opportunity for equine enthusiasts !

Our client has been changing the landscape of advanced **equine imaging for more than 20 years**. They are one of the most trusted global names in the veterinary sector globally and, with **3 Queens Awards for Innovation**, they continue to lead and advance the professional services available to clinicians whilst enhancing the experience of horses who receive quick, effective and stress-free diagnosis .

This is a rare opportunity for those with either **equine, veterinary and/or sales experience** – two from three would be good! This is not a hard sell - you will be required to discuss **equine lameness** with veterinarians in practice, developing new “soft” consultative sales skills along the way.

The role will involve a significant level of travel and the ideal candidate will be based in Germany. Fluency in both oral and written English is critical.
